

NO TO FENCE

ALTERNATIVE

SUGGESTIONS

1. A rota system organised by the group of 'FRIENDS', with pitch inspection before a game including pick up.
2. **EDUCATIONAL APPROACH** better signs: pick up and look after or lose this great asset
3. As back up a surveillance camera on the Vicarage roof, low cost.

These are practical solutions against the enormous cost of the FENCE: QUOTE £9.000.00 +VAT

Plus damage to the unspoiled green space, environmentally; concrete post fittings but also Health and Safety issues; Injury in any sports activity.

PLEASE can we have a meeting with the **EBPC,EBFC,**and **Devon Clinton Estate** to **SHARE** ideas **TOGETHER** for an amicable outcome.
