

**Report from Devon County Councillor Christine Channon
21st November 2022**

I attended the presentation by Ottermouth Cricket Club at the Peter Hall. It was well-attended and there was a good deal of support for the new proposals for the Club House. The meeting was well-organised and the presentations well-prepared. I consider the new Club House will be a great asset to the area.

I have had complaints about flooding on Oak Hill. The complainant, who has been in contact with Devon CC legal Department claims that the water is flowing from the Oak Hill development further up the hill. However I do not believe that this is the case. I observed this water during a heavy downpour and I am convinced it flows from higher up the hill, runs down the edge of the road. where there are no drains to collect it.

I have asked highways to clear the blocked drains in East Budleigh. If this has not been done please let me know.
