

Report on Village Hall – July 2024

Dr Gill Ryall has now taken over as the village hall manager; she has instituted a mobile number for the 'Duty Hall Manager' (the 'phone will be handed on when Dr Ryall is absent on holiday, etc) which is 07469 684 476. The associated email address is eastbudvh@gmail.com. The new manager is intending to contact each of the regular hall users to introduce herself and to check that things are working.

Hall bookings are healthy at present and they have recently had enquiries regarding wedding celebrations in 2024.

There has been a problem with the drains which was due to tree roots intruding into the pipe. This has been cleared, but the pipe will require repairing in an area adjacent to the brook.

Councillor Louis Allan
