

Sir Walter Raleigh Report – July 2023

Work completed on 'Raleigh's Rest' and there were very positive reviews when seen on open evening last week. It will be marketed through Sweetcombe Cottages and is available to rent from now.

Kitchen issues now resolved and back working at full strength again.

Continues to be well attended with very successful community events including anniversary music night, Tiggy's community supper and Jim's Quiz nights.

AGM to be held on 24 September.
