

## **Sir Walter Raleigh Report – October 2023**

The AGM was held in September with a packed audience. There will be another meeting in October to adopt the audited accounts. The pub has survived its first year and a half despite the economic pressures surrounding small businesses and despite many unforeseen issues within the pub facility itself. Many lessons have been learnt and the future looks positive.

Raleigh's Rest has some bookings already.

There was a hugely successful Beer Festival on the last weekend of September which has raised the profile and reputation of the pub. It looks to be an annual fixture on beer drinkers' calendars!

Community nights continue to be well supported and the pub is a thriving community focus.
