

Village Hall Report – Louis Allen September 2023

The date of the Village Hall 'Open Day' has been shifted to Saturday 7 October, when the community will be presented with the drawings and proposals for a staged refurbishment of the hall and invited to comment.

The new hall manager has gripped her role with great enthusiasm and is due to be trained and insured to enable her to conduct appropriate, regular inspections of the playground equipment.

Whilst the VH funds are stable at present, the Trustees are to commence a review of charges for the FY 24/25.

Various housekeeping tasks are in hand including chair replacement, crockery muster and curtain cleaning.

The VH television license is to be renewed.
