	Lawrence Booth	Mrs P Hayman
	M Smith	David Buss
	J White (Chair)	T Cantlon
	A Tweedie	

Present: District Cllrs A Dent, T Wright and G Jung.

There were 5 members of the public present.

Ms Emma Pickerell, course co-ordinator for P2e at Bicton College helping young people with LD to find and sustain paid employment gave a brief summary of her work and how the College and outside agencies can work together. Stage 2 students are on work placements which will assist training and the possibility of becoming paid. Stage 1 students are finding out about different types of work and getting involved in different projects to learn various skills. Students are already involved in community work painting community flats, repairing steps and rails and gardening with more requests coming in. She is anxious to find out if we are able to help by offering community work to these young people. Our P3 co-ordinator is particularly keen to offer work to the students and will contact Ms Pickerell with various proposals. It is important that these young people learn new skills, meet people and build their confidence as well as becoming involved with the community.

PCSO Chantalle Major was not in attendance and did not submit a report.

**The Parish Council Meeting began at 7.30pm.**

It has been proposed and agreed that members of the public be allowed to speak for **3 minutes** at the beginning of the meeting. This time scale will run to maximum of 30 minutes, therefore allowing 10 people to speak. This will bring EBPC in line with other town/parish councils. Members of the public wishing to speak on an Agenda item are requested to inform the clerk no later than 28 November. It should be noted that this is **NOT** a question and answer session, it simply provides a vehicle for the public to make the council aware of views of the public before discussing agenda items.

**The clerk had received no requests from residents to comment on any Agenda item.**

1. **APOLOGIES:** Dist. Cllr S Hall, Cty Cllr Christine Channon and Cllr V Lister.

2. **MINUTES:** The Minutes of the October 2016 Parish Council meeting were agreed with the following amendment:  
**Agenda item 6. 16/2525/FUL The Old Vicarage.** This planning application was discussed for the second time, the first application was objected to and EDDC were informed of the parish decision. The second application was submitted and forwarded to the parish council on 24<sup>th</sup> October allowing no time for it to be publicised or added to the Agenda for the 25<sup>th</sup> October meeting. The application was discussed and a vote of no objections was sent to EDDC. The clerk apologised for failing to record this in the October Minutes. The Minutes were then signed as a correct record by the Chair.
3. **DECLARATIONS OF INTEREST & RISK ASSESSMENT.** Cllr L Booth declared a non-pecuniary interest in Agenda item 6.1. Risk Assessment was checked by the Chair.
4. **MATTERS ARISING**

***Flooding at Yettington*** – Cllr Tweedie was proposing to use a digger to dig out the stream in Yerttington to a 15” depth as it had again flooded during recent heavy rainfall. Cllr Barnard did not think it necessary as he had carried out work which he felt was sufficient. The cost of the digger would be £200 per day and could be used in the future if deemed necessary. However at a later stage in the meeting Mr Kevin Quant, Relief Flood Warden in Yettington insisted that more digging out of the stream was necessary and so the previous decision was rescinded and Cllr Tweedie will arrange for the digger to begin work the following day.

***Councillors’ Christmas Dinner*** – The Chair distributed menus from the Rolle Arms and asked those attending to complete the menus and hand them in to the Rolle Arms. The dinner will take place on Tuesday, 13 December at 7.30pm.

***Proposals of the Boundary Changes to the District Wards*** – Cllr Jung had circulated a letter he sent to Mark Williams regarding the proposed changes to the rural ward representation. District Cllr Jung would prefer the rural Raleigh ward to stay within the rural ward with a single representative who understands their issues and requirements. District Cllr Tom Wright responded that there is no attempt by the town of Budleigh Salterton to ‘run things’ but that the interests of the whole area would be better served by a team of 3 councillors working together and recognising the long standing community ties that link parishes. The Chair called for a vote for the Raleigh Ward to stay as it was – councillors all agreed apart from 1 councillor who abstained from voting.

5. **MATTERS TO BE DISCUSSED**

***East Budleigh Childrens’ Play Area*** – Cllr Booth reported that fund raising was progressing under the guidance of the newly formed committee with various events taking place.

**Parishes Together Funding Drain clearance** – Cllr Tweedie has agreed to undertake Chapter 8 Scheme training to enable him to have the drains cleared out by January 2017.

**Parishes Together Funding 2017/18** – Cllr Barnard has agreed to undertake Chapter 8 Scheme Training also to enable him to carry out ongoing work needed.
