**How to use Zoom:**

We understand that technology may not come easily to some of you who are using new programs. Fortunately, Zoom is one of the easiest programs to use!

Signing up to Zoom is free and easy. You just need:

- A valid email address,
- The willingness to accept Zoom's privacy policy and terms - which are fairly standard.

Go to [www.zoom.us/download](http://www.zoom.us/download) and download the app for the device you will use to participate in the meeting. The first option is for computers and the option for mobile phones is further down.

Zoom meetings are free. You do not need to create a zoom account.

**We hope to see you on Tuesday – Aggie and Harry – 01392 248919**
